Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Moline Lead Water Service Line Replacements in fiscal year 2024. The entity to receive funding for this project is The City of Moline, located at 619 16th St, Moline, IL 61265. The funding would be used for replacing an estimated 70 lead service lines on 15th Street between 16th Avenue and 20th Avenue in Moline, IL. The project is an appropriate use of taxpayer funds because Moline's public health protections for drinking water consumers are strong, but replacement of the existing lines will ensure compliance with the EPA's recently adopted Copper and Lead Rule amendments.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

**Rep. Eric Sorensen**  
**Member of Congress**
